

Ducklings

Well it was not the start to the year that we expected, but we have still had fantastic time learning about Superhero's this term. Our key stories have included Supertato, Superworm and My Mums a Supermum. We have also created our own comic strips and found out about the different emergency services.

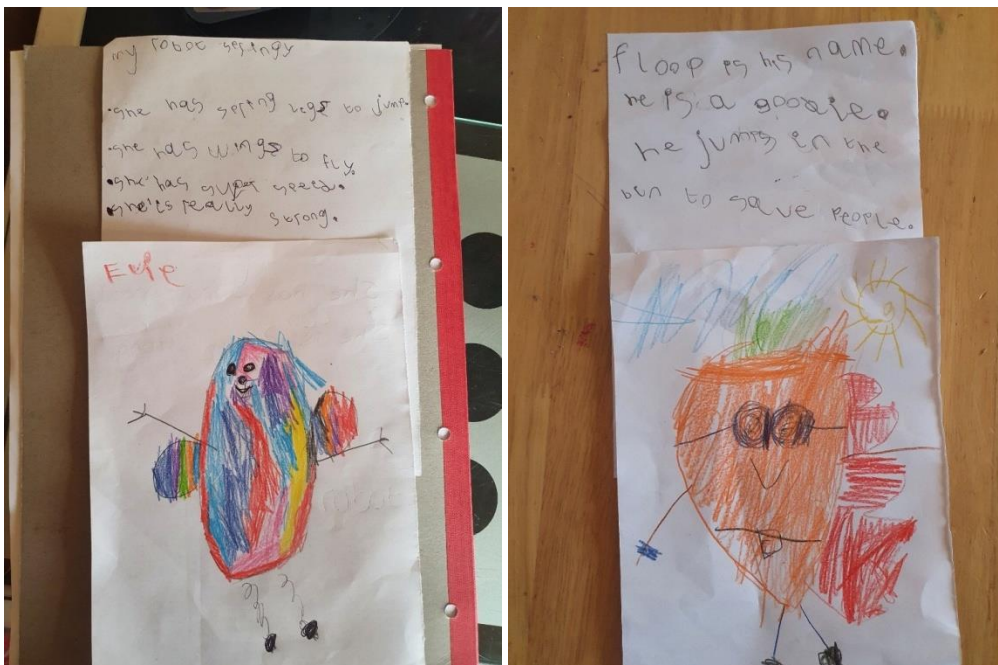

There have been many fantastic creations of lairs, vehicles and capes.

During our live lessons we have continued learning our phonic sounds, reading green and red words and writing sentences. We have also had different treasure hunts and numerous games of bingo!

Here are some pictures of our learning.

Joining in with Karl's music lesson.

Creating our own Supervegetable Characters

Creating a Superhero Lair.

Nature Picture

Making bird feeders

Superhero Cape

Playing a numberblocks game

Comparing sizes for Maths
