

Learning Together: Working as One
Aspire; Believe; Succeed; Excel

FBPS NEWSLETTER

February 2020

It has been a very hectic and strange half term- with getting to grips with Microsoft Teams, juggling live Lessons, assignments, managing in school provision and snow days just a few of the things we have encountered! Christmas seems a dim and distant memory that's for sure!

We are greatly missing seeing all of the children in school but have enjoyed having the opportunity to engage with them during live lessons. All staff have been greatly impressed by the fantastic attitudes to learning which children have demonstrated. Well done to all! 😊

Staffing

I would like to congratulate all of our amazing parents who have demonstrated resilience, perseverance and dedication in providing outstanding learning support during home learning. You have all been excellent additions to our team and your contributions greatly valued. A well-deserved break is in order for all!

Pupil Interviews

Whilst I have gained feedback in relation to remote learning provision from parents and staff, most importantly I need to hear from the children. I have arranged pupil interviews with each class to provide an opportunity for all children to share their experiences and provide feedback regarding their home learning experience so that we can use this to shape and improve future practice. Invites for these meetings should have appeared in your Teams calendar. I hope as many children as possible can attend:

Tuesday 23rd February: 9 am Ducklings, 10 am Kestrels, 11 am Robins and 1 pm Hawks.

World Book Day: Thursday 4th March

This year our World Book Day will look different to usual, but we cannot let this day pass without celebrating. Activities led by class teachers throughout the day will be held for all to attend and of course we expect children, staff (and maybe even parents) to dress up as their favourite book characters!! Meeting times will shortly be appearing on your Teams calendar- we will use the whole school 'Assembly' group for this.

9.15- 9.45 World Book Day Assembly with Mrs. Foston.

10.00- 10.30 Story time with Miss. Brown.

11:00-11.30 Quiz Time with Miss. Fitzpatrick.

11.45- 12.15 Zine workshop with Mrs. Moulis

1 – 1.30: Hungry Caterpillar dancing with Mrs. Lenton.

2 – 2.30: Poetry with Mr. Carr.

For more ideas of how you can celebrate and share World Book Day with your child please visit the official website: <http://www.worldbookday.com/>

Website

Please keep an eye on our class pages on our website as these are updated to show the fantastic home learning that has been taking place and Karl's music videos are now uploaded. Thank you to all those who have sent in video clips, photographs, pictures and examples of their work throughout the school closure period.

Have a break!!

You will all be pleased to know that we will not be setting or expecting home learning to be completed during half term. Please enjoy your time as a family maybe baking, playing games, arts and crafts or enjoying wintry walks- it would be lovely to see some pictures of the fun you have next week!

If anyone needs to contact school next week please note that teachers will not be responding to emails please therefore send any urgent enquires or notifications to myself as I will be checking my school account throughout the week. head@fridaybridge.cambs.sch.uk
