

## Kestrels poetry

In our class we like to have fun,  
Outside playing all day, in the sun,  
We always listen to what adults say,  
We like to go outside and play,

When we are learning, we always try,  
We smile all day, we don't like to cry,  
At home, is where we have to stay,  
However, we are allowed out in the day.

Everyday, we have to walk,  
And we always like to talk,  
Every lesson, I have work to send,  
I can't wait for lockdown to end.

20 children attended the live lesson

20 children contributed to the poem
