Monday 24th April
Bikeability (3 & 4)

Welcome Back

It has been a delight to welcome all of our children back into school during the last few days. The positive, vibrant way in which the children have approached their return has been greatly encouraging for the year ahead and the shared sense of optimism and opportunity feels especially strong across the school, children and adults alike.

Can I take this opportunity to extend a very warm welcome to our Reception children, our new starters and their families. Your children have made an amazing start to their time at Friday Bridge – they have come in smiling and positive and have been a credit to you. Thank you for the part that you have played in preparing them to start school. We look forward to working with you all and getting to know you better. We hope that all of our new children and parents will be happy at Friday Bridge.

Thank you too, to parents for sending them back to school looking smart and in correct uniform – they're looking very smart, particularly in their ties!

I am sure that we will all have a happy and successful term ahead.

If you require any support or information regarding your child's learning or time at school, please do not hesitate to speak to your child's teacher or to come and see me. We're always here to help.

Mr Elliott

Places still available on some clubs.

Monday – Homework

Tuesday – Art/Craft
Tuesday – Dodgeball

Wednesday – Climate Change
Wednesday – Football

Thursday – Geography
Thursday – POSH Sports Club

Thank you

Thank you to **Oakwood Carpets and Flooring** for kindly supplying some artificial turf for the Ducklings and Robins classrooms. Small touches greatly enhance the learning environments for the benefit of all.

Thank you to **Harry Green** for his donation of **£50** to the schools gardening club after selling plants on his own stall. We will ensure that it is used for the gardening club to further improve our school environment. Well done, Harry!

Any donations or support to help improve our school grounds, our learning environments and resources are always gratefully received.
