

Learning Together: Working as One
Aspire; Believe; Succeed; Excel

Autumn Term September 2021

Main Themes -

Curious About Cambridgeshire

What can we discover about the geography of our county?

Read All About It!

Exploring amazing historical events through time!

PSHE - Being Me in my World. Celebrating Difference.
RE - Christianity is our theme!

Art - Sculpture. We shall be investigating sculptors and their processes whilst exploring creating sculpture ourselves!

DT - Harvest - We shall explore seasonal food cookery

Music - My Body is an instrument. How is this? We shall find out! Then we shall move on to **Building Instruments.**

Science - Animals Including Humans and Everyday Materials. We shall be sorting materials by their names or properties. Our animals science is such a huge topic that we shall be touching on this throughout the year. Be sure to ask your child what they have been finding out about different species through the term!

Computing - Online Safety. Exploring school's Purple Mash site.

PE - Team games and Agility.

Maths

This term's themes will be:

Place Value - Can we order and compare numbers? Can we find the 1s number and the 10s number? Do we understand how the number system works? There is a lot for us to think about with the values of numbers!

+ and - - To start the year we will be ensuring we know our bonds of numbers to 10/20 and applying these in different contexts.

Length and Height - using and comparing mm, cm, m and km.

Weight and Volume - using and comparing ml and l. Using and comparing g and kg.

Technology

Please do continue to explore the Purple Mash and SumDog Websites. The logins for these will be sent home during the first week, when the children bring home their reading books.

PE

PE will be twice a week. We will be outside as much as possible, so please do ensure that your child has appropriate clothing for both indoor and outdoor sports.

Home Reading

It is my aim to send home a RWInc book which directly links their group's reading book, another reading scheme book, and a book for pleasure each week. Your child will be integral in the 'book changing' process, with responsibility for choosing books to bring home with them as they need.

Thank you!

Many thanks in advance for supporting your child's learning journey....team work is dream work!

English

Alongside our daily Read Write Inc. sessions, we shall be reading different types of text.

This term our genres are: Newspaper articles. Traditional Tales and Traditional Poems.

Once we have read examples we will work towards developing our own!

Home Spellings:

Your child will have spellings to learn each week, which will be taken from the Common Exception Word List. These are words which we cannot use phonics for (we can't sound them out) and are therefore sometimes called tricky words.
